Re: United States v. Patricia Konco, et al., 21-cr- 441 (KMK)

Dear Judge Karas:

I write to respectfully request modification to the terms of Ms. Konco's pre-trial release. Neither Pre-Trial Services Officer Shannon Finneran nor the government have any objection to the requests herein.

Ms. Konco is currently at liberty on, *inter alia*, the following terms and conditions set on July 14, 2021: a \$ 200,000.00 personal recognizance bond secured by three financially responsible persons as well as her parents' house. Travel is limited to SDNY/EDNY and DCT for legal visits only. See ECF #8.

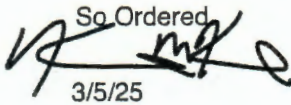

Ms. Konco seeks permission to travel on Saturday March 22, 2025 to a location in the Northern District of New York for her son's baseball tournament. If the request is approved, Ms. Konco will provide the specific location to her Pre-Trial Services Officer.

We also ask that for any additional requests for Ms. Konco to travel specifically for her son's baseball, the Court grant permission to Pre-Trial Services to approve or not approve any such requests at its discretion, without approval from the Court.

As noted, neither Pre-Trial Services nor the government object to either request.

We thank the Court for its consideration of the instant application.

Both requests are granted.

So Ordered

3/5/25

Respectfully submitted,

/s/

Diane Ferrone
